FREE
THERAPY

Caregivers

If you or your loved one is a caregiver, free therapy and resources may be available if you have limited income.

FREE THERAPY MAY BE AVAILABLE

- There is never a wait list
- Number of therapy sessions determined by therapist and client
- Any caregiver seeking counseling while coping with a family health or life issue that does not require the therapist to appear in court, present a threat of violence, request care for chronic mental illness or have alcohol or drug problems is eligible

410-825-1001
301-805-8191
877-323-5800
