FREE
THERAPY

Parenting Alone

AND BUILDING HEALTHY FAMILIES

Free therapy and additional resources may be available to you and your children if you are parenting alone and have limited income.

FREE THERAPY MAY BE AVAILABLE

- There is never a wait list
- Number of therapy sessions determined by therapist and client
- Any single parent or children of single parent families who would like to talk with a licensed therapist and does not require the therapist to appear in court, present a threat of violence, request care for chronic mental illness or have alcohol or drug problems is eligible
