THERAPY

Victims of Violence

Free therapy and additional resources may be available to you and your family if you are a victim or witness of a crime and have limited income.

FREE THERAPY MAY BE AVAILABLE

- There is never a wait list
- Number of therapy sessions determined by therapist and client
- Any victims or witnesses of crimes seeking counseling that does not require the therapist to appear in court, present a threat of violence, request care for chronic mental illness or have alcohol or drug problems is eligible
