## PARENTING ALONE: HELPING WOMEN TO BUILD HEALTHY FAMILIES

### Family and Individual Counseling

**Healthy Families...** Links women and their children who have limited income with licensed mental health therapists at no cost; offers additional resources and supportive links to the community; and also provides free transportation to appointments when necessary.

### Referral Guidelines...

The Clinical Coordinator, a licensed clinician, screens prospective clients for motivation and financial eligibility then links their needs to the specialty of the clinician. Information and referral sources are provided as necessary.

**Please call: 410 323-5800**

### Appropriate referrals would be...

- Financially eligible single-parent women in need of mental health counseling.
- Children and adolescents of female-headed households in need of mental health counseling.

### Eligible Women and Families...

- Under-insured
- Low to moderate incomes
- Do not require the clinician to appear in court
- Do not present a threat of violence to the therapist
- Do not request care for chronic mental illness
- Do not have alcohol or substance abuse related problems
- Have sufficient mental capacity to benefit from therapy
